

The New Fall Season for Monday Night Conversation:

Gospel on Tap: September 11, 6-8 pm at Marker 20

Now that I have been here 4 years and a few months it seems that some slight alterations might be helpful in engaging more adults in Spiritual Formation and Discipleship other than on Sunday mornings. So, I am planning to offer a **Gospel on Tap** discussion at Marker 20. They are happy to supply their back room for us and I think it is going to be fun. The first time we get together, we will share a little about ourselves and then make decisions about how we will want to proceed. Invite a friend who may be interested in just this kind of thing.

We will begin on **September 11** and will meet every other week from 6-8 pm. Come have dinner, have appetizers, have a glass of wine or an ice tea, whatever you want and we'll see where the Spirit leads us.

New Shifts in our Wednesday Line Up for Adult Education at Hampton Baptist Church

The Ancient Creeds: Noon in the Conference Room

Pastor Betty will lead a series on the history and development of Church Creeds and their comparison to Baptist Confessions of Faith.

Wednesday Evening Bible Study on Faith and Culture

5pm in the Activity Room.

Pastor Betty will lead a Bible-based series with lots of discussion about the dance that occurs between faith in Jesus and how people of faith live in the world, but not of the world. We will end promptly at 6pm, as folks are gathering in the Rotunda and awaiting the beginning of our meal together. **There will be no adult programming offered after the 5-6 pm study.** Feel free to sit and talk in the Fellowship Hall, but do bus your seat, or to schedule a committee meeting or conference if desired.

We are going to give this a try for the next semester year to see if we can be successful in engaging more adults in Spiritual Formation and exploration. Thanks for your openness to some new things led by the Spirit.
